For Her: Lavish yourself in jewels with this \$10,000 gift certificate from one of South Coast Plaza's premiere jewelers, Black, Starr & Frost.

**About JDRF and the Orange County Chapter**

The Juvenile Diabetes Research Foundation, the world's leading nonprofit, nongovernmental funder of diabetes research, was founded in 1970 by the parents of children with juvenile diabetes — a disease that strikes children suddenly, makes them insulin dependent for life and carries the constant threat of devastating complications. Since its inception, JDRF has provided more than \$1 billion to diabetes research worldwide. The organization's mission is constant: to find a cure for diabetes and its complications through the support of research.

The Orange County chapter of JDRF provides valuable information about juvenile diabetes and research to people with diabetes, their families and the general public. In Orange County, JDRF holds annual events, including the Walk to Cure Diabetes, Fore the Kids Golf Classic and Dream Gala, which raise much-needed funds for diabetes research. The chapter intends to raise more than \$2.8 million during its 2006 fiscal year. For information on how to become involved or to attend a JDRF event in Orange County, please call (949) 553-0363 or e-mail [orangecounty@jdrf.org](mailto:orangecounty@jdrf.org).
